Arts & *Crafts*

Equipment

- ♥ Mason Jar
- ♥ Paint (Mum's fav colour)
- ♥ Paint Brush
- ♥ Clear Spray Paint
- ♥ Craft Scissors
- ♥ Vinyl Sticker
- ♥ Masking Tape
- ♥ Skewer or toothpick
- ♥ Photo of you and mum

Note:

You can use masking tape if you can't get vinyl stickers.

**1**

Using your craft scissors, cut the vinyl sticker into the shape you would like the frame to be. If you don't have vinyl stickers or craft scissors you can place masking tape.

2

Stick the vinyl sticker to the front of the jar or if using masking tape, stick multiple strips onto the front of the jar in the shape of a square or rectangle.

**3**

Paint the outside of the jar in your chosen colour and immediately remove the sticker or tape. If you wait for paint to dry it will be more difficult.

4

Once the jar is completely dry, cut your photo to size and using masking tape, stick it to the inside of the jar in the frame.

5

If the jar has a design on it, using a skewer or toothpick, you can scrape the paint off the design to make it a little more rustic.

**6**

Spray the the outside of the jar with the clear spray paint, wait for it to dry and then it is finished. Pop some flowers in and give to mum.

Flowers:

If your cupcake liners are white on the inside, carefully turn them inside-out. If you only have white liners, draw your own pretty pattern on the inside and turn inside-out.

2

Glue a button to the center of the cupcake liner. If you don't have a button, cut a circle out of paper and colour it in.

3

Leaves:

A) Cut out a 3cm x 8cm rectangle from green paper. B) Fold in half, widthwise. C) Fold in half, lengthwise.

4

Draw a half-leaf shape along the long folded edge. The base of the half-leaf should be wide and located along the paper's short folded edge. Cut along the line. Open up and make a hole using hole punch.

5

Slide the leaves up the pencil to the middle and tape the pencil to the back of the cupcake liner. Make several different colours and place in a jar for mum.
